Salt Lake City Council Update – Charlie Luke, Representative, District 6

- Police Department refused District 6 Community Councils' request for continuing crime statistics report in council meetings. Charlie is hosting District 6 community meeting with the chief of police to hear residents' concerns. Hillside Middle School, 6-8 PM, May 21st. Public notice will be mailed out. Get questions to Michael Dodd in advance of meeting.
- Capital Improvement Project (CIP) process.
 - Missed this deadline for current year
- 1700 E Emerson Update
 - Options.
 - One way street
 - Close street off like Kensington. If done, the corner could make a staging area for a north entrance to park
 - Issues
 - Storm water
 - No curb
 - Prepare for May 27th meeting
 - Ask neighbors what they think about options
 - Let Charlie know in 2 or 3 weeks to give Robin heads up
 - Why is Kensington off the table for park entrance? Charlie said the issue won't be raised again.
 - Speed bumps? City decided not to do anymore 20 years ago.

- CIP may not be needed if transportation department budget can cover what needs to be done.
- Conclusion: Fixing road and park entrance are separate issues. Street needs to be fixed. Also need a northern entrance to the preserve.
- Answer questions from council members
 - 17th and 17th new development south side of 1700. Concerns about timing of construction and safety of school students. Developer should have a plan. Charlie will look into it.
 - Spring cleanup date will be in early June. Public will be notified.
 - 21st and 21st small area plan concerns. Plan is mainly for north side of 21st South. Apartment complex required zoning change; opposed by neighbors. Developer said he would redo plan to not require rezoning. Small area plan covers 21st and 21st up to Rite Aid. City will do outreach to churches, schools, and residents to take pulse of neighborhood.
 - How can city pay for these plans? Revenue challenges: (1) Property tax - 42% of SLC property is tax exempt. (2) Daytime population doubles – city has to provide services. Everybody pays streetlight tax.
